Madrid, 29 July 2020.- The geographic and activity diversification of Grupo SANJOSE has allowed the economic crisis derived from the pandemic caused by COVID-19 to have had a limited impact on its financial statements, although the Group, at the end of the first half of 2020, presented a small reduction in activity and margins.

It should be noted that Grupo SANJOSE obtains 61% of its revenues from the domestic market and that at the end of the 1H-2020 it achieved a net profit of EUR 7.45 million.

The Construction business area, one more quarter, stands out as the most important activity of Grupo SANJOSE, where between January and June, revenues grew by 2.1%, to stand at EUR 402.45 million.

For its part, Construction EBITDA amounted to EUR 20 million in the first half of 2020, improving the data corresponding to the same period of 2019 by 8.4%.

The volume of the contracted backlog for the Construction business amounts to EUR 1,259 M, representing 70% of the Group's total backlog. At the end of the 1H-2020 period, Grupo SANJOSE has a total contracted backlog of € 1,787 M.
